CONDITIONS OF CARTAGE

Couriers Please carries all goods at the customer's risk and subject to the Terms & Conditions of Cartage. You will find the Terms & Conditions of Cartage clearly printed on the front of our invoices and on the cover of the prepaid coupons.

Please ensure that you familiarise yourself with these Terms & Conditions of Cartage before sending any goods.

If you have any questions, Couriers Please Customer Service Operators will be more than happy to help. Freight is subject to cubic conversion of 250kg per cubic metre. 50kg cubic is our maximum cubic capacity. Some country areas have a depot service only.

Prepaid coupons are not transferable. The maximum length of goods for the interstate service is 1.8 metres. Please note we are unable to provide a COD or RP for intrastate and interstate services.

GOODS WE CANNOT CARRY

The Couriers Please system is a parcel distribution network. The courier picks up parcels from many customers in their area at the same time, then later sort and distribute them for delivery. To protect all consignments, incompatible freight, which by its very nature may damage other freight, cannot be carried. Likewise, any freight which may pose a danger of injury to the courier or a member of staff (because it has sharp or jagged edges, is not adequately packaged, or cannot be handled safely) should not be sent. It may not be accepted by the courier for pick up, or may not be able to be delivered within the normal system.

DANGEROUS GOODS

Couriers Please does NOT carry dangerous goods, except for allowable quantities of cosmetics and beauty products. Please see contractor for details.

INSURANCE

If transit Insurance is required it must be arranged prior to despatch, ask your Courier for details.
